

WORKING WITH IMI

A Program for Suppliers

COMING TUES. APRIL 7, 2020

10:00 – 12:00 followed by refreshments and lunch

DESCRIPTION

The architectural and design community is looking for reliable resources, not just salespeople. Join us for a free presentation to learn how to leverage your involvement with the International Masonry Institute (IMI), learn more about wall systems, and gain access to the valuable architectural community.

The program discusses how to use IMI resources such as the Wall Systems Library, Masonry Detailing Series, IMI Technical Warehouse, Interior Partition Calculator and much more, all while partnering with IMI representatives in your area.
